We have examined the formula for making the "Home litters," and unbeatatingly say the combination is one of rare excellence, all the articles used in its composition are the best of the class to which they belong, being highly Konic, stimulant, stomachic, Carminative, and slightly Laxative. The mode of preparing them is strictly in accordance with the rules of pharmacy. Having used them, seen its effects in our private practice, we take pleasure in recommending them to all persons desirous of taking litters, as being the best Tonic and Stimtaking Bitters, as being the best Tonic and Stim-ulant now offered to the public.
